

# PRODUCT USE GUIDE FOR CLEEN HANDS UNIVERSAL BARRIER & RECONDITIONING CREAM

## Product Description

A highly effective barrier cream containing a skin moisturiser to ensure that the skin is kept in a smooth supple condition. The product has been designed as a universal application cream and is suitable for both wet and dry work. It is long lasting, non-tacky and non-slippery on the hands. Its skin conditioning properties make it ideal as an after work reconditioning cream. No added lanolin or perfume.

## Product Features

- A smooth white odourless lotion which protects the skin against wet or dry contaminants. It does this by providing a barrier against a wide range of harmful substances, by reducing the effects of abrasion and by nourishing the skin.
- Suitable for skin protection on any part of the body.
- Its low odour allows its use where food is processed without fear of tainting foodstuffs.
- Complies with BS EN 1276 and is also effective against MRSA, salmonella typhimurium, listeria monocytogenes, pseudomonas aeruginosa, e.coli, staphylococcus aureus and enterococcus hirae.

## Directions for Use

- Use 3 to 5 grams per application.
- Rub well into cuticles and the webs of fingers.
- Suitable for use on other areas of the body but broken areas and sore patches should be avoided and treated with specialist creams.
- Use daily or before and after work.

## Toxicological Information

- This product is formulated from cosmetic grade ingredients and is intended to be applied directly to the skin. If you are allergic to any of its ingredients, do not use this product. If any allergic reactions are suffered, discontinue use of this product immediately and seek medical advice.

## Shelf Life

- This product has a shelf life of 30 months. Once opened, use within 12 months.

## Storage

- Store between 0°C and 40°C. Do not allow to freeze.

## Environmental Hazards

- Do not allow large quantities of neat product to enter surface waterways.

## Packaging

500ml

800ml

## Code Nos:
