DESCRIPTION

The PSP foldable mask FFP2 40-212 is a foldable face-piece respirator, intended for single use respiratory protection. The mask is made of polypropylene, the soft inner layer ensures optimal comfort. For a good facial fit, the mask is designed on the contours of the face and provided with a pre-shaped nose bridge. The latex-free head strap ensures an even pressure distribution on the neck, face and head.

Article PSP Foldable Mask FFP2 40-212 protects you against low-to-average toxicity, solid and liquid aerosols and has been tested and certified in accordance with the European Regulation 2016/425 and EN149:2001+A1:2009 FFP2 NR
