Product information

Food Industry

The Food Industry range of garments has been developed to meet the rigorous demands of food preparation and catering environments. The garments have a streamlined design and are low maintenance for easy care. Hardwearing and functional, this range is the perfect choice for the demanding professional.

Fortis

Fortis fabric is 65% Polyester 35% Cotton and is available in two weights; 245g and 300g. This blend offers durability, protection and excellent wearer comfort. The UPF rating of 50+ blocks 98% of UV rays. Fortis has been constructed to a high specification and is the practical choice for all your workwear needs.
