Product information

This Winter FR coverall is perfect for the demands of the offshore industry. Constructed with the same outer fabric as the FR50 and combined with a layer of adding insulation and FR cotton lining for extra warmth. This style has high visibility reflective tape double stitched for enhanced visibility. Meeting all the required EN standards, features include triple stitched seams, high visibility strips on shoulders, arms and legs, concealed 2-way front brass zip and two front slant chest pockets with concealed brass zips. The garment also has patented knee pad pockets designed with an innovative two tier adjustable system. This style has the added benefits of a detachable hood with brass zip attachment.

Bizflame Essential Workwear

Bizflame Plus garments provide protection to several EN standards. All of the Bizflame Plus garments have been put through the manikin test under EN ISO 11612 and have achieved excellent results demonstrating the level of protection offered to the wearer. Triple stitched throughout for strength in the toughest environments. Industrial wash flame resistant tape provides enhanced visibility. Prevents build up of wearer static energy

Bizflame®

Bizflame® is a proprietary flame resistant finish which, when applied to fabric, gives excellent flame resistance. All of the Bizflame fabrics use the highest quality raw materials, ensuring the perfect balance of comfort and strength. Carbon fibre woven through the fabric gives permanent anti static protection.
