Bizflame Essential Workwear

Bizflame Plus garments provide protection to several EN standards. All of the Bizflame Plus garments have been put through the manikin test under EN ISO 11612 and have achieved excellent results demonstrating the level of protection offered to the wearer. Triple stitched throughout for strength in the toughest environments. Industrial wash flame resistant tape provides enhanced visibility. Prevents build up of wearer static energy

Bizflame®

Bizflame® is a proprietary flame resistant finish which, when applied to fabric, gives excellent flame resistance. All of the Bizflame fabrics use the highest quality raw materials, ensuring the perfect balance of comfort and strength. Carbon fibre woven through the fabric gives permanent anti static protection.

Features
