## Hand Scraper, 75 mm, Blue

This narrow scraper allows access to small areas and rounded equipment like large bowls. It is useful for loosening stubbon dirt like pastry, chocolate, burnt food, etc. It is sharpened on both sides which means the blade stays sharp for longer. The polypropylene construction reduces the possibility of scratching sensitive surfaces. It is a single moulded product and is considered very economical.

New equipment should be cleaned, disinfected, sterilised and any labels removed, as appropriate to its intended use, e.g. high risk vs. low risk food production areas, general hospital areas vs. intensive care units, before use.
