

TASKI ergodisc® duo

Multi-speed single disc machine:
two powerful machines in one

Key Features

- ▶ Ergonomics
- ▶ Safety
- ▶ Simplicity
- ▶ Versatility

The ergodisc duo is especially suited for the following tasks:

- ▶ wet scrubbing - stripping - buffing - spray cleaning
- ▶ shampooing - wood treatment - crystallisation - grinding

Ergonomics

Better working conditions improve productivity through:

- ▶ anatomically formed grip
- ▶ adjustable handle bar height
- ▶ low vibration level
- ▶ low noise level
- ▶ soft start characteristics

Safety

Creates a safer working environment through:

- ▶ hand protection due to closed handle
- ▶ high electrical due to double insulation
- ▶ double safety lock

Simplicity

Ease of use results in improved efficiency through ease of :

- ▶ training and operation
- ▶ attachment of accessories, no tools required
- ▶ storage and transportation, enabled by a foldable handle and are movable weight

Versatility

Multi-purpose, cost-efficient machine:

- ▶ adaptable to many different cleaning tasks
- ▶ full range of accessories available

Additional Features

Foam generator: The foam generator, with integrated compressor, allows economic dry foam carpet cleaning. A short drying time allows fast re-use of the area.

Vacuum unit and suction skirt: The combination of vacuum unit and suction skirt is an ideal solution to prevent dust emission into the air. During spray cleaning, the skirt also acts as a splash protector..

Water tank: The best accessory for wet scrubbing and deep cleaning. The tank fits perfectly onto the machine and has a big opening for easy filling..

Robustness: TASKI ergodisc is an innovative range of single disc machines. The use of high-tech materials creates robust, shock absorbing machines with an extended lifetime and low service costs.

All TASKI ergodisc machines come with 2 years' warranty.
