Bizflame Pro

This fabric has been designed and developed to provide flame, welding and anti static protection. Constructed from 99% cotton and 1% carbon fibre, 330g. The carbon fibres are evenly spread along the warp to achieve optimum anti static protection.

Bizflame®

Bizflame® is a proprietary flame resistant finish which, when applied to fabric, gives excellent flame resistance. All of the Bizflame fabrics use the highest quality raw materials, ensuring the perfect balance of comfort and strength. Carbon fibre woven through the fabric gives permanent anti static protection.
