

- Made from 100% water and sweat resistant Nappa leather
- Table cut in the traditional manner and sewn full pique
- Offer high levels of comfort and dexterity
- Price shown is per pair of gloves

Made from a top-grade cape sheep Nappa leather that has been processed in the UK **Pilot Gloves are water and sweat resistant.**

Through the use of Pittards Armortan, the pilot gloves are more resistant to abrasions, increasing the durability and longevity of the leather by preventing wear on contact surfaces and materials.

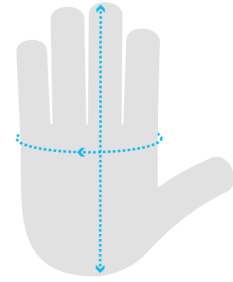

Designed to cope with the exacting standards required by modern pilots, the SB00191B Aircrew Pilot Gloves offer high levels of comfort and dexterity. They are the preferred choice of professional and amateur pilots.

Features:

- Made from 100% water and sweat resistant Nappa leather
- Table cut in the traditional manner and sewn full pique
- Offer high levels of comfort and dexterity
- Increased resistance to abrasions and tears
- Supplied in both men's and women's designs
- Used by pilots in the UK Air Ministry

Sizing:

The Aircrew Pilot Gloves are available in seven men's sizes and three women's sizes that should suit the hands of most users. Please measure the circumference of your hand around the knuckles (excluding the thumb) with your hand open and your fingers together, and the length of your hand from the tip of your middle finger to your wrist.
