

### FP65 - Construction Kit

**Collection:** Fall Protection Kits

**Range:** Fall Protection

**Box Quantity:** 1

#### Product information

This kit will allow the user to transfer between points where a single lanyard would temporarily leave the user unprotected. Suitable for a fall arrest or work restraint systems. The extra lanyard with out shock absorber can be used as part of a work restraint system.

#### Fall Protection Kits

We provide a range of kits based on our existing products that are designed to suit a wide variety of needs and uses. Every kit contains one harness that is suited for use and with the accessories in the kit to aid excellent performance. All kits are supplied with a nylon draw string bag for easy storage between use. All components are CE certified to relevant standards.

#### Fall Protection

Fall Protection is put in place to prevent the risks associated with falling from heights, reducing impact force, restricting obstacle/ground collision and restricting users from fall hazard areas. Portwest offer a full range of fall protection products for working at height.

#### Features

- CE certified

# PORTWEST®
