Color	White

The low-lint Tork Polishing Cloth is ideal for polishing sensitive surfaces. The soft and flexible cloth releases polishing agents for a professional shine without leaving any traces. It can be used in either the Tork Floor or Wall Stand dispensers, which are developed for safety, efficiency and reliability or the Tork Maxi Centre-feed or Boxed Combi Roll Dispenser, which are designed for smoother single-hand dispensing.

www.tork.co.uk

Perfect for working with sensitive surfaces due to extreme low-lint and anti-static properties

Professional quality cloth that leaves no scratches
